From Our District Governor

A Reminder from Your District Governor

By André Marria

It is time to begin the process of selecting our District Governor for the Rotary Year 2026-2027.

The elected individual will become District Governor on July 1, 2026.

Rotary International requires that the person nominated follow a two-year process of training and preparation before assuming the role of District Governor. During the 2024-2025 Rotary year, the selected individual will be the District Governor Nominee (DGN). This role includes observation and training, and participation at District events. It also includes participation at the Rotary Zone 33-34 training institute 2024-2025 and Presidents-Elect Training Seminar and participating as a non-voting member of key district committees. During the 2025-2026 Rotary year, the selected individual will be the District Governor-Elect (DGE). Training and observation activities continue, including participation at the Zone training institute and at the Rotary International Assembly (an assembly and training program for District Governors-Elect from over 500 Rotary Districts in the world) in Orlando in January 2026.

Our district utilizes a Nominating Committee process. Your help in identifying those qualified applicants would be appreciated. Please look within your club and within your Rotary network to identify those Rotarians who met the qualifications and have the desire to get involved at the district level.

Interested applicants must have the support of their club indicated by resolution and submit it along with their completed application and including a brief resume to District Executive Secretary, Teri White by November 1, 2023. Interviews of selected applicants, by the committee, will take place on Saturday, November 18, 2023. [more]

World Polio Day - Tuesday, October 24

One Day... One Focus ... One End to Polio
By Will MacArthur
World Polio Day unites Rotarians, public health advocates, and everyone else who envisions a world free from polio. It is a time for us to come together recognizing and honoring our progress in the fight to end polio. And it is a time to commit to the actions we must take now and end Polio forever, worldwide. Poliomyelitis is a highly infectious viral disease that most commonly affects children under the age of 5 years. Typically the virus spreads person to person through contaminated water. It can attack the nervous system and, in some instances, lead to permanent paralysis. Please honor World Polio Day 2023 on October 24 and recognize that Polio is still only one plane ride away from all of us and our families. You can support our efforts by advocating, fundraising and educating everyone you know continually until Polio, in all forms, is eradicated from this earth.

Dunwoody's Membership Drive

By Gordon Owens
Congratulations to Dunwoody Rotary for trying something new to grow Rotary in their community! The club is using its 40 years of history to highlight the impact they have had both locally and globally to help build a sense of pride in the great work they have done. Between a concise message and being proud of the club, members are well equipped to talk up Rotary to people in their community who are Rotarians but aren't members yet. They even made up business cards to use to invite prospects to come to meeting. [more]

Columbus: From White Water Rafting to Space Shuttle Simulations

by Katheryne Fields, GRSP Executive Director

By Katheryne Fields

Riding the rapids along with a space shuttle simulation were two of many highlights for 41 Georgia Rotary Student Program scholars in Columbus for the GRSP Tony Wright Student Weekend September 15-17. The weekend was hosted by Rotarians from the Columbus, North Columbus and Muscogee Rotary Clubs. Two GRSP alumni members who were sponsored by the Rotary Club of Columbus - Laury Petit (Class of 22-23) and Sebastian Villa (Class of 15-16) helped in the efforts, including Bafa' Bafa', a cultural simulation game.

Join Us In Singapore

May 25-29, 2024

By Gordon Owens

The Rotary International Convention will be in Singapore from May 25 to May 29, 2024. We hope you will consider joining the Rotarians from our district who are already registered and can't wait to go. These conventions bring together 10's of thousands of Rotarians from around the world in a unique destination. There are unique opportunities to experience local culture, see the sights around town and explore the surrounding countries before or after the convention. We have a hotel room block setup so we can stick together, we will host a district dinner during the convention and have a suggested trip for afterwards. Visit the convention page for more information. [more]

East Cobb's 5K Run Celebrates 22 Years with 552 Runners and $100,000+ to Community

By Jonathan Rudolph

What a day it was! On August 5 at the McClesky YMCA, East Cobb Rotary marked the 22nd anniversary of our Dog Days 5K event with an extraordinary show of unity, determination, and support. We had a fantastic turnout of 552 runners that helped us raise over $100,000 to go toward local charities. This event is a testament not just to one day's achievement but to over two decades of our community coming together to make a difference for local charities in the typical Rotary way: service above self.

Roswell Serves Up Thanks to 9-11 First REsponders

By Becky Nelson

It was a beautiful afternoon when the fourth annual 9-11 First Responders Cookout was held Saturday, September 16th at Roswell Fire Station #24. Over 300 Roswell First Responders were served hamburgers/hot dogs & brats by over 20 **Roswell Rotarians** and 12 Interact students representing the **Blessed Trinity and Roswell HS Interact Clubs**. During the September 11, 2001, attacks, 2,977 people were killed and more than 6,000 others were injured. Of the 2,977 fatalities, 2,753 were killed in the World Trade Center and surrounding area, 184 at the Pentagon, and 40 in Pennsylvania. These deaths included 265 on the four planes. The attacks remain the deadliest terrorist act in world history. We need to thank the Roswell Rotary Club 9-11 Committee Dave Young, Gene Beckham, and Jack Wyche. [more]

25 Years of Laws of Life Contest

By Linda Hatten

To kick off the 25th year of the Georgia Rotary Clubs Laws of Life Essay Contest, we hosted our annual Teacher & Rotarian Luncheon. It's always a joy to reconnect with the educators and Rotarians who ardently support student writers and the contest.

Keynote Speaker Brick Johnstone, PhD shared his research into the Neuropsychology of the Self which explores the biological factors that influence a person's sense of self and their resulting empathic response. As Director of Brain Injury Research at the Shepherd Center in Atlanta, his findings will further enhance recovery for patients at Shepherd and beyond.

We also heard 6900 DGE Gordon Owens shared a humorous tale of how his grandfather motivated him to aim high, “You might amount to something yet.”

Lassiter High School GLL Chair Anne Blanchard McGreggor, PhD shared how ,over the years, she has motivated colleagues in the English Department for the contest. Student winners Arik Tsfati (Lassiter High School) and Journey Allen (George Walton Academy) shared their inspiring essays that moved many in the audience.

If your Rotary club is interested in bringing the Laws of Life Essay Contest to your local high school's students, we’d love to come and share contest info with your club at a meeting. Contact District 6900 Laws of Life Chair Linda Hatten at linda@georgialawsoflife.org. [more]

Griffin Daybreak Honors DG André with Multiple Community Service Actions

By Debby Daniel-Bryant

Rotary International District 6900 Governor André Hadley Marria discussed succession planning, building teams and growing membership when she addressed the Griffin Daybreak Rotary Club. She emphasized the importance of working together with financial resources toward a polio-free world. She also shared her passion for creating a more inclusive club that is a reflection of the community's demographics.

In keeping with RI President Gordon McInally's theme to "Create Hope in The World" and remove the stigma regarding mental illness and addiction, the club made a donation in Marria's honor to The Heritage Foundation, Inc., "Maya's House," a residential program for women with addiction and their children. In line with Rotary International's quest to End Polio Now and upcoming World Polio Day October 24, an additional donation was made to The Rotary Foundation's PolioPlus Fund in Marria's honor. Sandy Springs Shares the Joy of Vision

By Zac Boswell Sandy Springs Rotarians - including President Rollin Richmond, Ashley Napier, Nancy Schroeder, Joe Jones, Gene Jordan - recently went to Ison Springs Elementary School to help distribute glasses to third and fourth grade students. The ability of young students to read is a major issue in our country and state. If you have trouble seeing words and letters, having glasses can make a big difference. The Ison School students were happy to have new glasses as you can see in the photo. [more]

Newnan Welcomes 36th GRSP Student Since 1954

By Nicholas Ramey

In 1952, the Newnan Rotary Club hosted its very first Georgia Student Rotary Program (GRSP) student from Korea. What began as an effort to engage with a younger generation and learn more about other cultures has now, more than 70 years later, become an annual tradition for the club. Each year, the club has hosted these students with partner clubs and will partner once again this year with the Senoia Rotary Club. Newnan has hosted students from 35 countries in every continent with the exception of Antarctica. This year, that number has reached 36.
